

BEliever PREPARED Resources

A prudent person foresees danger and takes precautions. The simpleton goes blindly on and suffers the consequences. (Prov 27:12)

Recommended Websites

Learn to Prepare – A website run by a Christian man who's been in the preparedness industry since 1975, and has a wealth of great knowledge to share. <http://learntoprep.com/>

This website/blog has a lot of great information. Recommended, mostly because it is written from a Biblical worldview. His book "Why should a Christian be Prepared" is also highly recommended. <http://preparedchristian.net/getting-started>

A Nationwide Christian organization built to train individuals, churches and Christian communities to be prepared, and organize response teams for disasters. <http://www.christianemergencynetwork.org/>

Survival Pulse - links to a great selection of prepping articles. <http://survivalpulse.com/>

A website to help get the woman in your life prepared, (or on board with you)... <http://thesurvivalmom.com/>

Recommended Articles/Books

TPR Spring 2013 - a PDF compilation of various prepper articles. <http://www.thepreparednessreview.com/>

A wealth of good information about self-reliance and emergency preparedness. <http://www.knowledgepublications.com/>

More good books to choose from... <http://beprepared.com/education/books-and-media.html>

Biblical view of self-defense – <http://www.biblicalselfdefense.com/>

Emergency Plans

Various planning tools and educational material. <http://beprepared.com/education/preparedness-checklist.html>

Pre-planning for staying in contact with relatives during an emergency. <http://www.contactlovedones.org/how-to-use-clo/>

Food Storage Planning (free analyzer to help determine recommended amounts of food to store). <http://foodstorageanalyzer.com/>

Just a few Gear Sources (there are tons more locally and on the web)

Food and other supplies - <http://www.beprepared.com>

Power supplies (much more than solar) – <http://www.solar1234.com/>

Low cost gravity water filter - <http://shop.monolithic.com/products/just-water-ceramic-drip-filter>

Emergency Notifications

- National threat and incident notifications to you email and/or phone. As they describe it, "only the really bad stuff" - You are assured of no hype, no political influence or advertiser considerations, as with the print and broadcast media... just the facts. AlertsUSA.com Note: Annual fee: \$99
- California - Emergency Digital Information Service (free) - <http://edis.oes.ca.gov/>
- Contra Costa County Emergency Alerts (free) <http://www.cococws.us/>
- Pre-planning for staying in contact with relatives during an emergency. <http://www.contactlovedones.org/how-to-use-clo/>

Phone Apps (only free iPhone apps listed)

- FEMA Reference
- Relief Central
- Earthquake Lite – International
